## 2021 RESOURCE GUIDE

---

for the City of Petersburg

---

**PETERSBURG WELLNESS**  
**CONSORTIUM**  
COMMUNITY ENGAGEMENT COLLABORATION AND PARTNERSHIPS

## ABOUT THE PETERSBURG WELLNESS CONSORTIUM

Since 2012, The Petersburg Wellness Consortium (PWC) has sought to improve Petersburg's health and wellness by optimizing resources and partnerships.

Launched through an academic-community partnership between Virginia Commonwealth University and Pathways, the PWC raises consciousness about health factors and outcomes by empowering community members, sharing capacity building resources and creating partnerships that promote a healthy community.

For more information about our history, projects, and working groups, please visit: [www.pwcpetersburg.org](http://www.pwcpetersburg.org)

## WHAT IS THIS GUIDE?

This comprehensive guide was developed by the PWC Youth Health and Wellness workgroup. This guide was previously provided by the Petersburg Office of Youth until the closing of the office. The goal of this effort is to increase awareness and use of important health resources in the Petersburg area.

**DISCLAIMER:** The Petersburg Wellness Consortium (PWC) maintains this Resource Guide is to enhance public access to information about youth services. The inclusion of any organization, agency, or service in this Resource Guide does not imply or constitute an endorsement or recommendation, nor does exclusion imply disapproval. The PWC neither guarantees nor makes any representations as to the accuracy or completeness of the information contained in its Resource Guide. Given the COVID-19 pandemic and related changes, some of these services and organizations may no longer exist.

The PWC does not claim responsibility for any actions taken by any of the organizations or agencies included in the Resource Guide. Under no circumstances shall the PWC or its members be liable for any direct, indirect, incidental, special, punitive or consequential damages which may result in any way from the use of the information included in this Resource Guide.

### **SPECIALIZED YOUTH SERVICES OF VIRGINIA**

Specialized Youth Services of Virginia, Inc. was established in 1991 to provide educational and treatment services to ED/LD and other at-risk children who cannot be successfully served through their local schools or other public service agencies. Specialized Youth Services provides a continuum of community based services to include special education day schools, in-home counseling, and day treatment services. Their Students Making A Real Transition (SMART) program provides unique opportunities for students to learn on the job employment skills with the support of a job coach. These skills will help ensure that students are able to be competitive and successful in today's workplace

# EARLY CHILDHOOD SERVICES

## HOME VISITING AND OTHER SUPPORT SERVICES

### **FAMILY LIFELINE**

Their early childhood home visitation program provides support and linkage to community resources to expecting families and families parenting young children. They recognize that parents are their children's first and most important teacher. Their home visitors partner with parents to support healthy family functioning and positive parenting. Their services occur in the family's home and are free and voluntary.

# MENTAL HEALTH SERVICES

## CHILDREN'S MENTAL HEALTH RESOURCE CENTER

The Children's Mental Health Resource Center (CMHRC) is a collaborative effort dedicated to advancing a more accessible and effective mental health system for children and their families in Virginia. CMHRC will serve as a comprehensive resource for families of children affected by mental, emotional or behavioral disorders, as well as professionals who serve this population. Administrative oversight for CMHRC is provided by the Virginia Treatment Center for Children (VTCC) in the Department of Psychiatry at Virginia Commonwealth University Medical Center.

## **PETERSBURG DEPARTMENT OF SOCIAL SERVICES**

A family services and benefits program that delivers quality services that promote self-sufficiency, responsibility and safety to people in our community. Services provided include the SNAP and TANF programs. SNAP provides nutrition benefits to supplement the food budget of needy families so they can purchase healthy food and move towards self-sufficiency. The TANF program, which is time limited, assists families with children when the parents or other responsible relatives cannot provide for the family's basic needs.
